All memberships are family memberships and cover children under the membership until they reach the age of 25, or become married, or are not in school, or are not living at home. All memberships include ClubBenefits from the ClubCorp program. All members are currently under Capital Assessment. The assessment is approved to up to 15 years (beginning in 2017) and up to \$85 per month per member. Please contact the club for current assessment levels. Corporate, out of area and senior memberships also available. Memberships are subject to availability and/or waitlists.
